About Village Farms

Village Farms is one of the largest producers, marketers and distributors of premium-quality, greenhouse grown tomatoes, bell peppers and cucumbers in North America. This premium product, as well as product produced under exclusive arrangements with other greenhouse producers, is grown in sophisticated, highly efficient and intensive agricultural greenhouse facilities located in British Columbia and Texas. Village Farms’ products are marketed and distributed under the Village Farms® brand primarily to retail grocers and dedicated fresh food distributors throughout the United States and Canada. Village Farms currently operates distribution centres located in key markets in the United States and Canada. Since its inception, Village Farms has been guided by sustainable agricultural principles which integrate three main goals; environmental health, economic profitability, and social & economic equality.
